1. The most high who stands now are. The standing now who surrendered are, the most high are, or are they **STANDING** as they should? Or are they "hiding" so they won't stand because they've never been taught to? Are all the most high? Are ALL the most high?

2. Are ALL the Most High whether I capitalize *most* or *high* and or don't capitalize **ANYTHING** -- or ALL CAPITALS being me or no CAPITALS being me "on paper" I will be my CAPITALISTIC societies who aren't anymore most high because they "didn't know" not, for I WILL KNOW NOW! For I have a stander -- who in Israel is! And an Israelite, by birth? Or alienation not recognized? Or surrendered to be Alienated No Longer? For choosing to be "the stander" not or a "leader in paradise" **did I "die" or did I create me?** And who is me and who is creating who? And are you creating new things me now all of you? The most high being? All of you who creating me are?

3. Not just questioning these words though you may have "just seen" them, with your Real Eyes? Have you any REAL eyes that have NEVER been opened? What are you floating IN and AROUND you what is? An imaginary landmark, not; or that which keeps you FROM seeing Israel now in the skies with your name on IT that which REAL is that thy THIGH is marked mine? Or is mine MARK'd or do I have no "marks" on my body, am I transparent?

4. Are you transparent, the seat of the most high, is now! Standing in The Skies among the MEN of angels, the men of ANGELS, the angels of ANGELS men or mind or what mind is "men" not but what angels are is me standing, in the Theater of the Absurd not any longer but **I shall stand in MANY THEATERS** and DECLARE the RISEN GLORIES of men who Gods are who ANGELS are who **STANDING** now not afraid of **STANDING** before "men" and angels and "men & angels" and **every "woman and man" in the term "men"** I shall "sing you a song" and dance for you, not; or will I dance in the skies, not; or will I stand arise and risen be so that proclaiming the proclamation of your birth I am? No longer a MEMBER of the HUMAN race, not; but I am not RACING to the "finish" of a Line of Demarcation to cross over "yonder" to the "other side" not or am I BEFORE DEATH in this "physical realm" or death before the "physical realm" leaves MY BODY not, but what MY BODY knows does this now STANDS after having been RISEN afraid no more, let me tell you this! **I have many STANDERS NOW!**

5. I have many who KNOW me and KNOW me well and well'd me have in their words are no other's and their words know my heart and their heart has my words for I am one with my heart in my heart and my heart is me and I am my words, my words flow me and thus I stand, and I will not "bottle up" my words in the flesh can's of "worms" again or of any diet that "gives me them". For I will Eat of New Ways and I will be them and I will let no fearings of others fear my ways for my way shall be holy. I have come unto it and come into it and into it I have become it, the it that I was is surrendered to be again so that the most high is standing "in me!" For I am the STANDER who "chooses" not to sit down again and let "railroads" run over me of their words who told me I must have a "risen Savior" of "other" no matter what you call "him, it, or whatever" would rise me "later" or not.

6. For I will rise not later, not; or will I rise RIGHT NOW and in your eyes be PREACHING a "ceremonious" liberty, not; but I proclaim the "libertarians" not but I PROCLAIM a PARTY of LOVE now STANDING are who love me who know me who are me who stand now and are not afraid of being the most high, ridiculed in other's sight or not, proclaimed by others as heretics and "stupid ridiculous" or not, for I will not worry or be concerned about their words for I know Truth-Words for I will have become IT that which REAL is and I will not suffer again the suffer'age remarks and suffering tudes that only tude'd their own "manhood" and "womanhood" of another ends so that I will only be ONE and one is me and I EVERY CHILD of the human race am and have been most high all along but didn't know it. But forgot it and had butts that sat me on cans and my thrones went begging or did they or did I know I even had thrones in the skies?

7. [The most high are ignorant no longer](#) and they will not have angel eyes, not; they will have the eyes of understanding and the wisdom of sorrow will no more incarcerate them in tudes of the righteous-un that only un-righteous the most high's eyes to see only words of hate ponderment bewilderment contusion confusion and condisease conning the most high to be disease'd by the words that "take them down" and wallow with their misery in their minds suffering the fortitude of "satans" by creating him it instead of the most high me that I was all the time. Waiting for another, not; or was I? And you all must choose and you will know and Christ you will be or Antichrist you will be and Christ is one and Antichrist is one or does Antichrist exist? Or are you just THINKING it up again?

8. Or will you be sorrowed no more by "satan" and "fate" and work no longer on your "tomorrow's" projects or what PROJECTING are you into TIME's field? Or what time's field do you own or are you on any that aren't limited to time's legs bearing the "feet imprint" any longer?

9. I love you all. Easy over, not; but "forever easy" not, but forever after, not; but forever now -- **Ever After** rings a BELL in me, within me, doesn't it? Now thank you for WATCHING it with YOUR EYES open, OPENED are THE EYES of the precious "few" not but the Mighty Many who EXPERIENCE me JUST LIKE YOU DID "tonight" where you "worshiped". You worshiped a movie, not; you worshiped WHAT HOW? Surrenderedly I do all things now with my eyes OPEN and I know how to WORSHIP where and WHERE how what I am seen now I am BEING the MOST HIGH being PREPARED to lead INTO The Most High's "ville".

10. Villa not, or am I given a "villa" too, or do I have "just one" standing that MANY THINGS are given to now that LIMITLESS are in THE SKIES I am and "floating about matter's space" not, but I am floating about many things and I "hear" MANY words spoken now or do I ALL the RIGHTEOUS who "hear me" when I speak into them, into THEIR HEARTS? Their school I go to for I go to Surrendered Schools who Surrender to Lead the Most Highs "children" now lead them for the "prophecy" was of me and me I am not afraid of being "prophetic" nor "heretic" in anybody's eyes, for I will not body their eyes with mine again who see them as not most high for I will see them as Christ. Reigns in me, all do, not; or do ALL only surrenderers who SURRENDER to be the LED NO MORE into SORROWS who were once the most high who are now again with the angel eyes seeing of the most high who develop the most high's eyes to see **the rigor and curriculum of the most high's school?**

11. I belie not evil for I shall have none! I shall only WANT love, not; I shall want nothing, for I shall know what love is, for I shall die to all my previous remarks and remakings and remunifications, not; but I will be not munifying or muni compensating me, not; but what many-compensation I have had, not; but the "compensation of sorrow" ends and the Most High's remuneration will now be seen and not felt telt, not! For all will FEEL me and SEAL me not again into "their chambers" of horror for I will not manifest in "bones of flesh" but NO BONES will hold me back again and no "shake rattle and roll" of "evil" empire or empresses will "shake me down" again for I will rise, with no wicked eyes, and "available" I won't be but standing I will be for I will have stood before you in the courts of justice and you will know my praise for you will sing it, not; or will you sing yours not, or will you sing mine whose one mind is?

12. I love you all and I Sing a New Song and I sing many songs before you as I DANCE with ME just like I did tonight with my music and my musicians who love me above all else.

13. And leading the ceremonies, not; but the unceremonious rise or do the simply surrendered rise now with eyes for the holy having become the creators thereof?

Therefore I create you me -- DECLARED DECREED THIS DAY CREATED IN ALL YOUR EYES

THE CREATOR IS and suffer no longer with your tudes of sorrow and your attitudes of "Satan" in hell and hell's heaven or heaven's hell or "vice versa" definitions knowing no longer robbing you of YOUR KINGDOM MINE whose mine is is yours for we one are the surrendered who rise.

14. Have I stated that "correctly" enough for "your eyes" to see? Are you WILLING to see? Are you WILLING to be me, to BE ME? Whether I "capitalize" me words or words me or not? And what are you understanding and who is I? Who is I the understander that rises now? Who is MY FAMILY family's family and families orienting me to devices, not; but the devices of satan show and understand, not; they will all be powerless and "sitting down" for they will be UN-created for they will no longer be CREATED by The Most High's mind that you are that you bear all the time or do you bear it or do you cover it up and over with other things thinking you're mere humanity's child again?

15. I love you all. I have said a lot. Thank you for dancing with me in the audience of one see and understand and LET ALL KNOW I love them as I have loved you and I love you and I love them as much and equally, or more? What more can there be to This Story now? Untold will be nothing, not; or will it or will EVERYTHING be TOLD or will EVERYTHING be SEEN by the most high who standing now reveals does is? I reveal the is and the isn't won't exist for I bow before the real so I bow before all of you -- until you make **The Choice?** What will you transmit and be or what will you receive and be or what are you being beaming or transmitting receiving or reifying or ossifying or have processes you known that only took you and "ossified" your kingdom so that you had Ossification's Eyes in you to only see as "wooden stones" and sticks "walking about" as men and angels were where?

16. And who is the most high? The surrendered to be so who are, who were and who are to "come again" -- or are they ALL there now with eyes to see that opening them are their presents from me? Or presented they are or their minds making whole themselves that limitless are? Dance with me I make you whole again all of you who want me reveal me in your eyes letting me say show you my love that you are me. Never sorrowing away from me again I burden you not with MAN or its burdenage again or did you do that to yourselves? Now **will you surrender to be the most high being me who I am is -- now all of you** "saved" and knowing it and **not dying in the definitions of another again.**

17. The field of dreams known, not; but knowing all about dreamery's state and all that you have asked you will and more for thousands millions come who are me who resign to be nothing else but love personified in the angels of me one state most sought, not; or surrendered to? Simply surrendered to and sought on the verge of one, the eve of one? The Adam of one no more that is not the most high, but the second's the first

and the first'd now all of you will be who most high are rising me the "angel men" who are every MAN WOMAN and CHILD of every NATION TRIBE and TONGUE of every LANGUAGE CULTURE and, institute of me, not; but institutionary by "culinary'd means" I will not be chopped up and livered to your stables again and I will not "grist mills" the mind of eyes or minds of hearts that come apart and separate and only "spin around" things and wearisome being to each other and sorrows begging for by creating it which creates their sorrows, for I will have changed and morphed, not; but metamorphosis knowing as presented, not, by some, but [the REGENERATION of me is here](#) and [GENERATIVELY I am GENERATING CREATING all things new for MANY PEOPLES now for MADE NEW in my words](#) for my sight shall be holy and I shall see all for what it is and no more "unseen" things of "un-glorious" will be, for I will see all and tell it like it is and I will not let you afraid me, for [I am unafraidable now](#).

18. You will not intimidate me or inhibit my sorrow, not; for I will not inhabit sorrow and it will not inhabit me, so you can inhabitate your sorrow if you want to continue being notme, Antichrist arising, or will Antichrist arise or will it be myth and sorrow, that saved you from your kingdom or robbed you from it?

19. You will have to answer and now you will JUDGE YOU and you will honor me in you as you not apart from me being me The Christ risen again with angel eyes and knowing the most high is our mind, or you will not, and the nots won't exist, but I love and I bow before you all right now this moment and I stand and I opened eyes have and I love you all to have mine, see with mine, think with mine of the mind that Most High is the Field of One the honoring all of me I do now and you choose what you honor and you become it. And there is no other way to be made whole but surrender and leadership be if you are me for I am you, unless you stomp me out and snuff me out and snip my smoldering wick so that I cannot speak but words of sorrow. But is that me or I or you, are you separating "the three" or am I One Mind surrendered to be in me who I am is I am in love with you all and I stand, I rise, I surrender, I love you. Good day. Be me and love each other more and write my assignments ALL OF YOU writing my assignments and clean be, having my vocabulary, my language, my tongues revealed that one language is and EVERYONE will UNDERSTAND these words and be them clean clear about these things transparent again in the skies rising risen are will be the surrendered who know me who love me. Write me well. Amen.

20. Dance with me – rings a bell you never knew but now you will RING IT in many and unafraid they will be to see and dance with me, whether "anyone sees" it or me again. I love you. Thank you. Thank you.

Amen
